POP-UP BANNER

Our Pop-up Banners come in a variety of sizes, are lightweight, and incredibly easy to use.

These units are made from dye-sublimated fabric, specifically 170gsm gazebo canvas material, ensuring durability and vibrant print quality.

Each unit comes with a carry bag for convenience and is available in the following sizes:

- 2 x 1m
- 0.7 x 1.4m
- 0.75 x 1.5m

These units are also available in a vertical format, which are similarly dye-sublimated onto gazebo canvas and come in a 2 x 1m configuration.

**The Unit is Supplied with
carry bag and pegs.**

DIRECTORS CHAIR

Printed promotional director's chairs are the perfect advertising tool, offering both practical, comfortable seating and a unique branding opportunity for trade shows, exhibitions, events, and product launches.

Our custom-printed logo director's chairs feature a double-sided dye-sublimated backrest and a single-sided printed seat, making them ideal for displaying company names, logos, and advertising slogans.

The director's chair is a fun, bold, and vibrant way to showcase your brand. When combined with other branded indoor or outdoor banners, it helps create a strong brand presence at corporate events.

These chairs are lightweight and versatile, making them perfect for both indoor and outdoor use.

TABLECLOTH

Branded tablecloths and runners are incredibly useful, as they can be placed on all kinds of tables.

Our branded covers include the following options:

- Boxed tablecloths
- Stretch tablecloths
- Side-hanging covers

These covers are made using dye-sublimated fabric, making them easy to transport and fully machine washable.

They are perfect for a variety of occasions, including personal uses such as themed parties or events.

During an event, a branded tablecloth can act as a powerful tool for conveying your message. These table coverings can transform ordinary-looking tables into highly effective advertising spaces.

**These tablecloths can also be
supplied in a box tablecloth**

SHARKFINS

Our shark fin banners have become a popular product in the motor industry, known for their unique shape and versatile print area.

Each banner is supplied with fiberglass or aluminum rods for durability and ease of use.

These flags are dye-sublimated directly onto 110gsm flag material for single-sided prints or 80gsm silver blockout material for double-sided prints.

Available in the following sizes:

- 2m
- 3m
- 4m

Indoor stands available on request.
The unit is supplied standard with
ground spike and carry bag

TELESCOPICS

Our telescopic banners have become a popular product in the motor industry, known for their unique shape and versatile print area.

Each banner is supplied with fiberglass or aluminum rods for durability and ease of use.

These flags are dye-sublimated directly onto 110gsm flag material for single-sided prints or 80gsm silver blockout material for double-sided prints.

Available in the following sizes:

- 2m
- 3m

The unit is supplied standard with
ground spike and carry bag

WINDCHEATERS

Our telescopic banners have become a popular product in the motor industry, known for their unique shape and versatile print area.

Each banner is supplied with fiberglass or aluminum rods for durability and ease of use.

These flags are dye-sublimated directly onto 110gsm flag material for single-sided prints or 80gsm silver blockout material for double-sided prints.

Available in the following sizes:

- 2m
- 3m
- 4m

Indoor stands available on request.
The unit is supplied standard with
ground spike and carry bag

BANNERWALLS

Bannerwalls are a portable, concertina-style frame paired with a detachable fabric print. Once the frame is fully extended, it creates an instant backdrop, making it ideal for a variety of events.

Bannerwalls are commonly used at sports events, award ceremonies, expos, retail launches, and as interview backgrounds.

They are versatile, cost-effective, and provide a freestanding advertising solution. Key benefits include:

- Easy to assemble and collapse
- Compact and lightweight for travel
- Removable, machine-washable fabric skins

Additionally, Bannerwalls can be supplied with or without wings to create a rounded finish on the ends.

These units are available in the following sizes:

- 1.5 x 2.25m
- 2.25 x 2.25m
- 3 x 2.25m
- 3.25 x 2.25m
- 4.5 x 2.25m
- 6 x 2.25m

These banners can also be supplied in a curved option on request

SOCK BANNERS

Our sock banners are perfect for chain stores during rollouts and campaigns, these banners are dye-sublimated onto banner weave and eco-display materials.

They are available in the following sizes:

- 0.8 x 2m
- 3 x 2.2m
- Other sizes are available upon request.

These banners can also be supplied in a “S” option

FABRIC FRAMES

A minimalistic display solution with a frameless appearance, offering easy on-site installation and the ability to exchange prints effortlessly without any tools.

Available in sizes ranging from small to very large, with options for illuminated or non-illuminated displays and single or double-sided graphics.

These displays can be freestanding, wall-mounted, or hung from the ceiling or roof. We offer a wide variety of sizes and shapes to suit your needs.

Fabric frames are ideal for exhibitions, retail displays, showrooms, receptions, and foyers. The system is quick and easy to set up and break down, and it folds away effortlessly, making these fabric frame systems cost-effective and extremely popular.

Additionally, the fabric frame prints and skins are detachable and machine washable, ensuring durability and convenience.

PULL-UP BANNERS

The pull-up banner range comes in two different finishes. All units are digitally printed onto non-curl PVC material, with fabric available as an optional choice. This ensures high durability, making them perfect for short-term indoor branding solutions.

Deluxe Units:

- These are premium units featuring a solid base with chrome trimmings.
- Available in 0.85 x 2m and 1.2 x 2m
- Also available in a double sided option

Econo Units:

- These are economically friendly units fitted with additional feet at the base for enhanced stability.
- Available in 0.85 x 2m
- With other sizes available upon request.

DELUXE

ECONO

These banners can also be supplied in fabric prints at an additional cost

X-BANNERS

X-Frame banners are a compact and portable signage solution. They feature eyelets in each corner that attach to a fiberglass frame, and they are available exclusively as vertical, single-sided banners.

The prints can be dye-sublimated onto fabric or digitally printed onto non-curl PVC, ensuring versatility and durability.

X-Frames are commonly used at sports events, markets, exhibitions, product launches, events, and trade shows.

They offer maximum exposure for short-term or one-off promotions, with interchangeable prints for added convenience.

Product Benefits:

- Easy, tool-free assembly and collapse
- Compact and lightweight for travel
- Available in 0.6 x 1.6m and 0.8 x 1.8m sizes

**Supplied with Fibre Glass Frame
and Carry Bag**

A-FRAME

A-Frames are a portable signage solution, designed for easy, tool-free assembly with an aluminum frame. The A-Frame prints attach effortlessly to the frame using elasticated clips. The prints can be dye-sublimated onto fabric or digitally printed onto PVC, offering flexibility and durability.

They are highly versatile in shape, as they can be used horizontally or vertically, both indoors and outdoors. Additionally, all four sides can be covered, creating an instant portable billboard.

A-Frames provide maximum brand exposure for both large indoor and outdoor events.

Product Benefits:

- Easy, tool-free assembly and collapse
- Compact and lightweight for travel
- Available in various sizes and printable on either fabric or PVC
- Optional sock design for added versatility

**Supplied with Aluminum Frame,
Carry Bag and Ground Pegs**

BUNTING

Flag bunting has long been an attractive way to draw clients and customers closer. We offer bunting in various shapes, with the most traditional being triangular. They are available in single-sided or double-sided options.

Bunting lengths are typically 5 meters long, with each length containing 15 pennants.

We exclusively manufacture PVC bunting, as producing fabric bunting in large quantities is nearly impossible. Bunting is ideal for sports events, racing events, and even as barricades for crowd control.

Our Bunting is also available in Rectangular Shape Format.

CAR COVERS

Our branded custom car covers come in three standard sizes: small, medium, and large.

These covers are dye-sublimated onto scuba fabric and feature elasticated bottoms for a secure fit.

They are extremely lightweight and easy to carry, with each unit supplied with a convenient carry bag.

Units also available for Motorcycles and Other Vehicles

DRAW-STRING BAGS

Drawstring bags seamlessly blend practicality with brand exposure. They serve as a gentle reminder of your brand's presence, offering both utility and frequent use — whether at the gym, grocery store, or beyond. Each outing becomes a subtle endorsement of your brand.

We highly recommend incorporating branded drawstring bags into your marketing strategy to effortlessly elevate your brand's visibility.

Each bag acts as a mobile billboard, showcasing your logo or message and expanding your reach.

The branding process involves direct transfer onto the fabric, ensuring a clean and professional finish.

CORPORATE & COUNTRY FLAGS

Elevate your brand's visibility with our premium corporate and country flags, designed to make a bold statement wherever they are displayed. Crafted with precision, our flags are dye-sublimated onto high-quality materials, ensuring vibrant colors and long-lasting durability. Whether you're representing your company at a trade show, celebrating national pride at an event, or enhancing your office exterior, our flags offer unmatched versatility.

Available in a range of sizes and finishes, including single-sided and double-sided options, these flags are perfect for both indoor and outdoor use. Lightweight, easy to install, and resistant to weather conditions, our flags are the ideal solution for creating a powerful visual impact. Choose from standard sizes or request custom dimensions to suit your specific needs. With TNT Creative Solutions, your brand or country's identity will fly high with pride and professionalism.
